

CROSSROADS MEN'S CRISIS CENTER

Gives men in crisis the opportunity to overcome obstacles through intentional classes, Gospel teaching, and life-changing casework. Crossroads provides a bridge to both the local Church and the Cleveland community. By focusing on safety, security and restoration, Crossroads empowers men to break free of debilitating habits and create productive, healthy lives.

LAURA'S HOME WOMEN'S CRISIS CENTER

Provides a safe haven for women and children in crisis. Here, single women and moms with kids find the stabilizing factors they need in order to focus on healing - basic necessities, a warm bed, and hope that life can change for the better. Women who participate in the long-term program are offered casework, childcare, and educational opportunities that allow them to get back on their feet, and begin the journey from homelessness to wholeness.

PATHWAYS FAMILY OUTREACH SERVICES

Let's youth staying at Laura's Home know that they are loved and cared for. Our hope is that students will be inspired by the Bible and engaging programming to pursue meaningful futures. Pathways provides children and teens with a consistent, Christ-centered environment where they can begin to trust those that care for them, their own abilities, and ultimately, Christ.

INMATE OUTREACH SERVICES

Shares hope in some of the most hopeless places - local jails and prisons. Inmate Outreach Services provides regular visits, correspondence, Bibles, and other practical help to incarcerated men and women. Staff also assists former inmates in the transition to our programs, as ex-offenders seek to move back into their communities and build positive futures.

Thanks for caring and sharing!
