— Lifting Stories of Hope —

We are very excited to announce The City Mission's Gala, Elevate: Lifting Stories of Hope. This special event will take place on Friday, April 17, 2026, at InterContinental Cleveland. The theme this year is 'The Gift of Time.' We look forward to celebrating 115 years of ministry and introducing you to our work dedicated to providing help and hope to our Cleveland neighbors experiencing homelessness.

The evening will feature dinner, silent and live auctions, and a program that highlights the transformational ministry happening at The City Mission. All proceeds from this event will go directly to our work helping men, women, and children in crisis.

Special events like Elevate enable the Mission's life-changing work in Cleveland, but its success is not possible without the generosity of individuals and organizations. Over the next few months, we will be inviting community partners to support the event through financial and in-kind donations.

Would you consider joining us and investing in this event?

**THE
CITY MISSION**
REACHING HEARTS | CHANGING LIVES

Providing help and hope to all people through the transforming power of God's love.

Compassionately restoring individuals in crisis by providing

HELP

Our goal is to identify each person's unique needs and assist them with the best care and resources available.

HEART

Our staff works closely with each resident to help them set a path to achieve adequate income and sustainable housing.

HOME

We are unique in Cleveland, as we allow families and individuals to take the time they need to achieve their most sustainable option.

Laura's Home Women's Crisis Center

With 166 beds and 55 rooms, Laura's Home serves as a bridge from crisis to stability and self-sufficiency for women and children. Laura's Home offers specialized, wraparound services designed to empower families and individuals to live healthy lives. Children are supported through Pathways, which provides on-site after-school programming with academic, cultural, and peer-to-peer experiences that contribute to their growth and development.

Crossroads Men's Crisis Center

Crossroads offers individualized programs that include classes, casework, and coaching designed to prepare men for the positive lives they were made to live. Our campus has capacity for about 100 men to participate in an individualized track program, and a designated number of beds for emergency and short-term shelter.

New Horizons Program

Rothstein Village Transitional Housing for Families is the first of its kind in Cleveland! With sixteen, three-bedroom, 1,000 square foot units, single mothers are given the gift of time as they remain on campus for 18-24 months to pursue personal, vocational, and educational growth.
